

Madison County Master Gardner Community Service Project
SOWERS of SEEDS, Inc.
January 14, 2009

Project Leader

Milt Otto, 683-1526, thebald1@sbcglobal.net

Project Location

1525 W. 14th Street, Anderson, IN 46016 (formerly Shadeland Elementary School).

Purpose of Project

Beautification of the grounds in front of the building while teaching S.O.S. clients the gardening skills to do so and to maintain the plantings.

Master Gardener Role

1. Design planting beds
 - a. Border both sides of the walk
 - b. Beautify the area around the sign in front of the building
 - c. Specimen shrubs or plants as appropriate
2. Assist S.O.S. to locate donated materials.
3. Teach and supervise S.O.S clients to
 - a. Prepare planting beds
 - b. Plant flowers and shrubs per the design
 - c. Apply mulch
 - d. Maintain the plantings until winter
